

SECURITY STORM DOOR WARRANTY

Our Security Storm Doors are warranted to the dealer or distributor to be free of defects in materials and workmanship at the time of delivery.

The only liability that we assume under this warranty is to repair or replace said doors for a period of 1 year from the date of delivery if the defective material is returned by the customer to the factory for repair or replacement.

We do not assume any liability for the servicing or repairing of doors on any building they may be installed on or for the cost of removing and/or re-installing Security Storm Doors in connection with repairing or replacing them under warranty.

This warranty is made in lieu of all other warranties, express or implied, including warranties of merchantability and fitness for a particular purpose and no other warranty, verbal or written, shall be binding on Weather King. The provisions hereof shall constitute the exclusive remedy of any breach of warranty. Weather King shall have no liability beyond repair or replacement of parts or components as provided herein and expressly shall have no liability for any loss of time, inconvenience, loss of use, personal injury, property damage or any other special, indirect, incidental or consequential damages.
